## NEW SPEEDY FOAM® DOUBLE-SIDED PADS

- **Thicker Pad** (Longer lasting and more durable)
- **Rounded Edges** (Will not rip around molding or edges)
- **Use with Standard Extender Bolt** (Our 69-100 Sold Separately)
- **Instant Centering** (Reduce time and wear on user)

These pads are to be used with your standard extender bolt (our 69-100 sold separately). No expensive snap-lock connector to purchase. Just attach the SPEEDY FOAM® pad the same way you would a regular double-sided wool pad. SPEEDY FOAM® Double-Sided Pads are 2" thick and are made from select foam for the application used. Available in yellow, white, black, green and blue in 6" and 8" diameter.

COOL-IT™ pads have a specially designed pattern cut in the foam which opens up as the polishing machine is in operation relieving pressure on the painted surface to "COOL-IT™". This traps excess polish & compound and keeps the surface lubricated to help prevent swirls, paint burning, separation and greying. COOL-IT™ pads are available in yellow, white, black, green and blue in 8" diameter only.

## NEW FOAM PAD CLEANING BRUSH

Removes excess, caked-on wax from your used foam pad. Contoured brush design keeps hands safely away from pad while durable nylon bristles clean the surface.

**Stock #** **Size**  
★ 85-643 8" Length, .75" Bristle Length

## NEW LOOP WIRE SPOKE BRUSH

Stiff Black Polypropylene bristles twisted in wire gets dirt out of tight spaces fast and easy.

**Stock #** **Size**  
★ 83-019 10.125" Length

## NEW GROUT BRUSH

Contoured brush designed to work the black nylon bristles into the crevices to quickly and effectively remove dirt, grime and residue from grout.

**Stock #** **Size**  
★ J-85-643 8" Length, .75" Bristle Length

## NEW S.M. ARNOLD SELECT™ Lug Nut Brush

Designed to reach around any size lug nut. The handle features a soft thermal rubber grip to prevent slippage when wet. The brush has three separate wire loops loaded with flexible bristle to completely clean any dirt and grime caught around the lug nuts perimeter.

**Stock #** **Size**  
★ 25-698 7.5" Length

## NEW RUBBLE WRAP™

Self adhesive plastic film is used to seal broken windows, un-closeable doors of vehicles exposed to weather following a collision or vandalism. The wrap is coated with a light-tack adhesive designed to grip the surface then be removed without leaving adhesive residue on the surface. The film features ultraviolet inhibitors to prevent damage when exposed to sunlight for lengthy periods of time.

**Stock #** **Size** **MIL**  
★ 85-778 24" x 200' 3  
★ 85-779 36" x 100' 3

## NEW S.M. ARNOLD SELECT™ Headlight-Taillight Polish Kit

The polish compound and foam buffing pad is designed to remove oxidation from faded headlights and taillights on cars, motorcycles, boats and aircrafts to a "like new" finish. The polish leaves a slick, protective barrier that should be applied twice a year. The microfiber cloth is used to wipe the surface clean and dry.

**Stock #** **Contains ONE Each of:**  
★ 85-973 3.5" Dia. Yellow Speedy Foam® Buffing Pad  
Plastic Polish Compound  
Plush Blue Microfiber Towel  
Micro Hook Backing Plate w/ 1/4" Spindle

## NEW STANDARD FLOOR SQUEEGEES

Specially blended, long-lasting rubber blade is resistant to petroleum, paint, chemicals and animal fat. Great for smooth floors like cement or linoleum. Used by service stations, car washes, auto dealers, factories, shops and stores.

Unique extended, no rusting, aluminum channel frame has superior strength and capabilities and a non-rusting aluminum retainer to secure the squeegee blade in place.

Heavy gauge zinc plated steel-trap socket traps and locks in the tapered wood handle (not included), for an extremely secure fit. The socket also has a nail or screw hole for additional security in holding the handle in place. Recommended handles 85-676 & 85-966 as shown on page 73.

**Stock #** **Size**  
★ 83-180 18" Straight Neoprene Rubber Squeegee  
★ 83-242 24" Straight Neoprene Rubber Squeegee  
★ 83-243 24" Curved Neoprene Rubber Squeegee  
★ 83-360 36" Curved Neoprene Rubber Squeegee  
★ 83-181 18" Neoprene Replacement Blade  
★ 83-244 24" Neoprene Replacement Blade  
★ 83-361 36" Neoprene Replacement Blade

## NEW HEAVY-DUTY MOSS RUBBER FLOOR SQUEEGEES

Constructed for tough, industrial usage, this work horse is proven effective in factories, supermarket warehouses, auto body shops, detail shops and gas stations. The heavy-duty frame with 4" twin rubber blades moves large amounts of liquid while the built-in splash guard prevents spilling. Metal galvanized frame with reinforced handle socket. Uses 15/16" diameter handle. Only available in black natural moss rubber. Handle not included. Recommended handles #54 & 85-965 as shown on page 73.

**Stock #** **Size**  
★ 83-304 30" Straight Moss Rubber Squeegee

## NEW ECONOMICAL ALL-PURPOSE MOSS RUBBER FLOOR SQUEEGEE

All purpose floor squeegee for both domestic and professional applications. Cleans kitchens, patios, garages, basements and sidewalks quickly and easily. Perfect for safer, dryer floors after mopping. Twin rubber blades leave floors dry to touch. Metal galvanized frame, which protects against corrosion, uses 15/16" diameter handle. Available only in black natural moss rubber. Handle not included. Recommended handles 85-676 & 85-966 as shown on page 73.

**Stock #** **Size**  
★ 83-220 22" Straight Moss Rubber Squeegee
