SPEEDY SOAKER™

1300 GSM Twisted loop microfiber drying towel delivers extreme water absorption with a soft, safe touch. Quickly glides over surfaces, soaking up water quickly without leaving streaks, lint, or swirl marks. Hidden-edge stitching and edgeless banding to ensure safe contact with even the most delicate surfaces.

- 20"x30" – Solid Black – Solid Gray – 2-Tone Royal Blue & Gray
- 20"x40" – Solid Black – Solid Gray – 2-Tone Royal Blue & Gray
- 1300 GSM delivers extreme water absorption
- Safely glides over surface
- Washable & reusable Care Instructions: wash microfiber towels separately from other laundry, using cool or warm water, and a gentle, fragrance-free detergent. Avoid fabric softener, bleach, and high heat in the dryer. For heavily soiled towels, consider a pre-soak with vinegar or a microfiber-specific detergent

SPEEDY SOAKER™ HD

1500 GSM Solid Royal Blue 30"x30" Twisted Loop. – This heavy-duty drying towel with a premium 70/30 blend twist loop design delivers extreme water absorption with a soft, safe touch. Hidden-edge stitching and edgeless banding to ensure safe contact with even the most delicate surfaces. The SPEEDY SUPER SOAKER DELUXE offers an amazing drying experience.

- 1500 GSM delivers extreme water absorption
- Safely glides over surface
- Washable & reusable
- Care Instructions: wash microfiber towels separately from other laundry, using cool or warm water, and a gentle, fragrance-free detergent. Avoid fabric softener, bleach, and high heat in the dryer. For heavily soiled towels, consider a pre-soak with vinegar or a microfiber-specific detergent

SPEEDY SURFACE WIPES™ - Roll of Microfiber

SPEEDY SURFACE WIPES™ is your one-stop cleaning solution. Featuring tear-off sheets for convenience and for streak-free cleaning. The SPEEDY SURFACE WIPES™ microfiber towel tackles any mess, big or small. Plus, the space-saving roll of towels are reusable and gentle on surfaces, making it an eco-friendly and cost-effective alternative to traditional towels. Each can be used multiple times.

- Soft, absorbent & reusable
- Convenient size
- Washable & reusable
- Care Instructions: wash microfiber towels separately from other laundry, using cool or warm water, and a gentle, fragrance-free detergent. Avoid fabric softener, bleach, and high heat in the dryer. For heavily soiled towels, consider a pre-soak with vinegar or a microfiber-specific detergent

Pirate's Pearl™ Ceramic Towel

The low pile, lint-free and tight weave of pearl towels make them ideal for safely removing and leveling ceramic coatings without causing damage. They are also effective at removing excess sealant and polish residue after application. Pearl weave towels are useful for dusting and cleaning interior surfaces like dashboards, consoles, and door panels. They are also absorbent making them effective for general cleaning tasks and wiping up spills
